## Responses to The Lordship of Christ

How does Rom. 1:4 tell us that we *know* He is the Son of God?

According to Mark 8:34-38, can a person be saved without giving their 'whole life' to Jesus?

In Luke 6:46-49, Jesus tells us that if we say that He is Lord, we must do what He says. How does He then describe the difference between someone who does what He says and someone who doesn't?

According to 2 Cor. 5:15, what is to be the effect of His death and resurrection in our lives?

In Matt. 24:12 Jesus warns us of the lawlessness that will war against His righteous authority. Do you see that today, and if so, where?

Are there people that are close to you that have a lawless spirit?

According to Hosea 10:2, how does God view a divided heart?

In James 4:8 we're told to purify our hearts to not be double minded. Earlier in this passage in James 4:4 we're told that friendship with the world is considered \_\_\_\_\_ with God and is compared to spiritual \_\_\_\_\_.

According to 1 Cor. 12:3, who is calling you and helping you to make Jesus Lord?
